## TESTIMONIALS

“  
The course is very helpful, I can speak English fluently and I think The SF English became my second family, I love everyone very much. Thank you!

Nguyen Chem Gio

“  
I believe that who came to This English centre would love this place as I did, when the course finished, I feel sad because studying in that place I always felt funny.

Tran Vo Van

“  
Trust me, you can master English just by joining this class, I did, so I believe that you can too. Hope that one day, you can come and join in this class.
